

# Foraging and Planting week - July 4th - 8th

Kids will get a chance to identify some local plants in nature, learn how to germinate seeds for growing, make their own plant fertilizer, plant and grow their own seedlings to take home, make their own self watering plant containers and more!

# Culinary Week - July 11th - 15th

Welcome to the world of food! Campers will love this week as they will get to try some tasty treats they make themselves as they learn the basics about the art of cooking and recipe making!

## Science Week - July 11th - 15th

Science is the process of learning about the natural world through observation and experimentation. Kids will get to explore the amazing world of creation and what the natural world has to offer in fun and creative ways!

# Wet N' Wild Week - July 25th - 29th

Submerge yourself in the wonder of water as kids participate in water sports, splash pad, water games, water balloons, in a fun, cooling watery wet week!

## Fun and Fitness Week - ug 2nd - 5th

Variety is the spice of life! Kids will get to try out a series of various sports and activities and may find a new passion for a new sport! Included is kickball, archery, obstacle courses, yoga, daily runs outside, badminton, tennis, jump roping, Hula Hooping, ultimate frisbee and daily skill challenges!

# Animal Planet Week - Aug 8th - 12th

Animal lovers unite! This week we will be exploring all that is fascinating about animals and taking a trip to the local Zoo. (Fee not included in camp prices)

# Life Hacks for Kids Week - Aug 15th - 19th

Everyone loves simple hacks to make life more fun and enjoyable. This week kids will get to explore some super cool ideas about how to incorporate some easy life hacks into their day!

## Super Heroes Week - Aug 22nd - 26th

Who is your superhero? Heroes come from all areas of life in fiction and reality. Kids can come dressed as their favorite hero, get their own Superhero ID, name and identity, test their superhero strength and put their super powers to the test in games and activities!
